

Teacher Access Center Out-of-District Access

Visit the CISD website, and choose the **Employee** link.

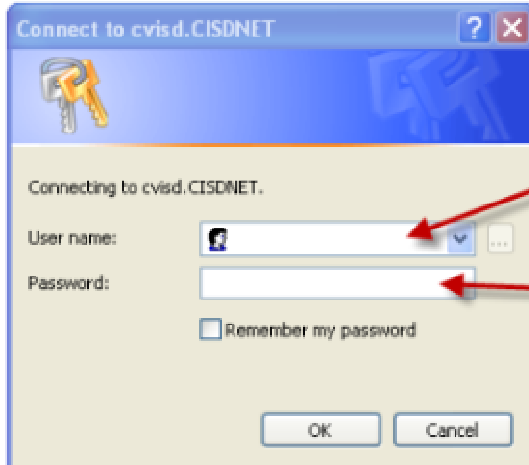

Choose the **External Login** link. .

- eSchool Plus - internal login || external login

on campus

at home

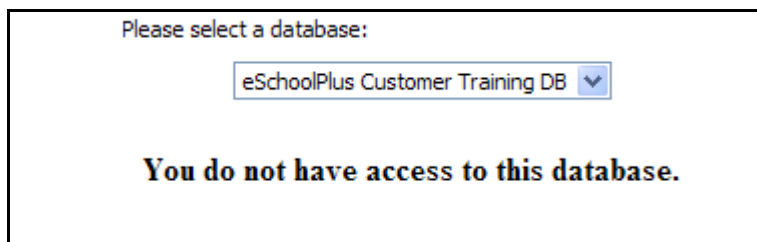

On your school computer, your username may already be saved. However, at home you will need to type in your full username including the @cisdnets part.

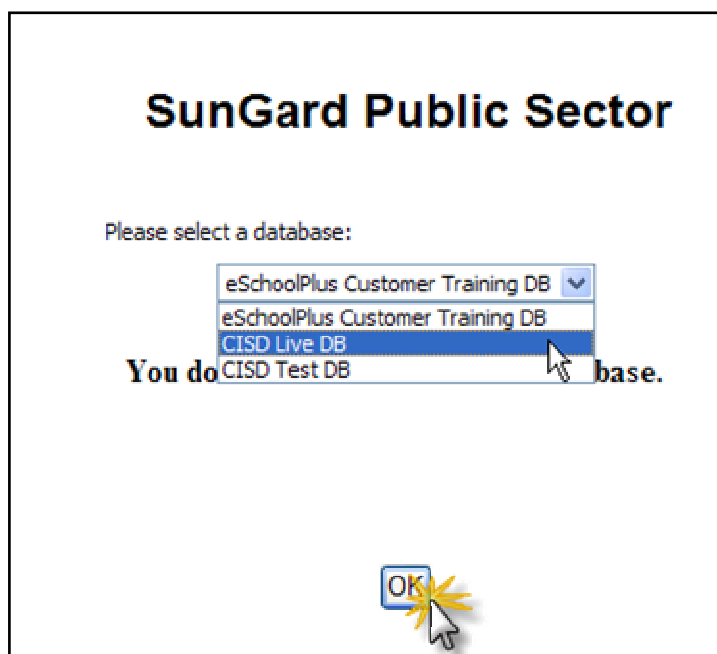

first initial, last name @cisdnets
EX: jsmith@cisdnet

first, middle, and last initial & last 4 social
EX: jls5976

The first time you log in at home you will see this message:

Use the drop down menu to choose **CISD Live DB**, and click **OK**.

PLEASE NOTE:

- ✚ The External Login (out-of-district access) will not work in-district. Do not try to use the out-of-district access while at work.
- ✚ The Internal Login (in-district access) will not work at home. Do not try to use the in-district access while at home.
