

Home Access Center - Adding Score Comments

Comments for Specific Scores

You can enter a comment for a student that is specific to an assessment.
Enter the score, then select the cell.

9/12 Test Pts:100
65.00

Then click the **Comment** button.

My Classes	Assessments	Printable	Student Detail	Missing Scores	Assignment Averages	Student Aliases	Default Grade	Comment	Averages	Score Threshold
------------	-------------	-----------	----------------	----------------	---------------------	-----------------	---------------	---------	----------	-----------------

1. Type the text of the comment.
2. Check **Publish** if you wish the note to be visible to the parent in Home Access Center.
3. Spell check if desired, then click **Save**.
4. A red score indicates that a comment is attached to that score.

PARENT VIEW

In Home Access Center, on the Classwork Tab, parents will see the icon for a score comment.

Major/ Test/ Project	100.0	1.00	100.00	100.00	100
Daily/Classwork	100.0	1.00	100.00	100.00	100
Major/ Test/ Project	60.00 	1.00	60.00	60.00	100
Daily/Classwork	75.00	1.00	75.00	75.00	100

Note: Kayla seemed ill on the day of this test.

When parents mouse over the comment icon, the comment will display.
