

# Crisis Management Plan

Channelview I.S.D. has developed an extensive Crisis Management Plan to address prevention, intervention, and follow-up of crisis situations. The safety of our children is our primary concern. The following procedures will be utilized during certain crisis situations.

## ❑ Shelter In Place

This procedure is used in any situation other than weather that may be a hazard.

- This means all windows and doors are locked and the air-conditioning will be shut off.
- No one is allowed to enter or leave a building that has activated shelter in place procedures. This means that parents will not be able to pick up children from school. It is safer to keep the students inside the building rather than expose them to possible harm by allowing them to leave the building.
- Once the "All Clear" is given, students and teachers will return to their regular activities or a parent/student "Reunification" (student pickup) program may be initiated.
- If a school is sheltering in place, parents should also shelter in place at home.

## ❑ Shelter In Place, Weather Only

This procedure is used when weather conditions exist that may place a school or schools in immediate danger.

- Students and staff are sheltered inside the buildings away from outside windows or doors.
- Buildings are open for entry only.
- There is no exit until the "All Clear" is given.
- Normal activities will resume when the "All Clear" is given, or a student/parent "Reunification" (student pickup) program may be initiated.

## ❑ Lockdown

This procedure is used when an intruder invades the premises or there is an imminent danger to the campus.

- All doors, windows, and classrooms are locked. Students and teachers remain in the classroom until the "All Clear" is given.
- No one will be allowed to enter or leave the building. Parents will not be allowed to pick up children from school.
- The local authorities will provide assistance if necessary.
- Once the "All Clear" is given students and teachers can return to their regular activities. If needed the parent/student "Reunification" process will be utilized.

# Crisis Management Procedures
