Welcome

The First Financial Group of America (FFGA) designs, manages, installs and administers tax qualified employee benefits for thousands of individuals. Structured as separate corporations, the organization provides financial expertise in both public and private sectors, including school districts and corporations.

Education on the educational market is a cornerstone of our operations.

Click on Online Flex

The FFGA represents employee groups, and provides benefits for over 150,000 individuals who understand the value of stability and reliability. For over 30 years, the commitment we provide our clients has remained steadfast.

The corporate headquarters in Houston, Texas, is supported by effectively positioned regional offices, ensuring timely communication and outstanding service. A professional management staff helps clients make prudent investment decisions founded on extensive knowledge and experience. As a client of any one of our corporations, you can be assured of qualified leadership to assist you in making the right decisions about your financial future.
