Channelview ISD

TO LOG ON TO eSchoolPlus from a Channelview ISD computer

Open Internet Explorer >> Click on Favorites >> Click on Channelview ISD eSchoolPlus >> Click on User Name and type in your username followed by @cisdnet >> Click on Password and type in your password >> Be sure to check that you are going to CISD Live DB for the 2008-2009 school year and click OK

TO LOG ON TO eSchoolPlus from your home computer

Open Internet Explorer (eSchoolPlus works with IE only >> type the following URL <https://eschoolplus.channelview.isd.esc4.net/eschoolplus> (the s is required since this is a secure site) >> Click on User Name and type in your username followed by @cisdnet >> Click on Password and type in your password >> Be sure to check that you are going to CISD Live DB for the 2008-2009 school year and click OK

MENU

On the left hand side of the screen you have your menu which is based on your security. The different centers are:

STUDENT CENTER – this is where you will look at all areas of any student or group of students. Quick Search is limited to the fields listed. Advanced Search is practically unlimited. Each of the folders under Student Center refers to the individual student.

REGISTRATION CENTER – this is where you would setup staff, rooms, activities or district wide tables that are handled by the eSchoolPlus team. The Report Section has mailing labels.

Channelview ISD

SCHEDULING CENTER – this is where you would setup all the areas required to schedule students. This area is used by your master schedule person and whoever does scheduling at your campus.

ATTENDANCE CENTER – this is where you would make changes to attendance as well as run reports for campus wide attendance. This area is used by your attendance specialist more than any one else.

MARK REPORTING CENTER – this is where you would setup and run all the processes associated with student grades including Interim Progress Reports, Report Cards, and Transcripts. This area is used by whoever does your Interim Progress Reports, Report Cards, and Transcripts.

DISCIPLINE CENTER – this is where you would run campus side Discipline reports as well as add, delete or modify Discipline information for students.

MEDICAL CENTER – this is where you would campus wide medical information can be accessed and reports run. Used by nurses more than any one else.

TEST SCORE CENTER – this is where you would view assessment results for your campus.

FEES CENTER – this is where you would setup your fees and run reports for the campus as a whole.

STATE CENTER – this is where you would run PEIMS reports required such as Campus Summary or Texas Withdrawal Form.

REPORTS – you can use any search to get a list of information in pdf or xls format. Go to Advanced Search, enter your criteria, and add the fields you want to see, click on Search. Click on Report, choose the format and click on run.

For example if you wanted to get a list of your currently active students who are LEP monitored you go to Advanced Search >> under area choose Demographic >> field is Building >> condition is = equals >> value is your campus number. Click on the 2nd line and under area choose Demographic >> field is Current Status >> condition is = equals >> value is A. Click on the 3rd line and under area choose PEIMS Demographics (2nd one in list) >> field is LEP Indicator >> condition is in (comma delimited list) >> value is F, S. Click on the 4th line and under area choose PEIMS Demographics (2nd one in list) >> field is LEP Indicator End Date>> condition is blank. This will show you currently active students at your campus who have a LEP indicator of F (monitored 2nd year) or S (monitored 1st year) with no end date.

Under the criteria area there is a List Field Display Selection. Click on Custom and it will let you choose as many fields as you want to see. You can add fields like Grade, LEP Indicator, dates, etc. A sample of what the search screen looks like is on the next page.

Advanced Search with custom fields

The screenshot shows the eSchool Plus Student Search interface. The browser window title is "Student Search - Windows Internet Explorer" and the address bar shows "http://cvisd/eschoolplus/Content/Admin/Menu/default.asp". The page header includes the eSchool Plus logo and navigation icons for Favorites, Help, Print, and Home. The main content area is titled "Student Search" and "2008/09".
